COMPANY PROFILE

VISIONTEC ENTERPRISES LIMITED is an indigenous Kenyan business name which was registered in 2013 as a sole proprietorship as "Visiontec Enterprises", with an objective of deploying design works, supply, installation and servicing of Hospitality Appliances. We have strategically positioned ourselves as spear leaders in the subject as referred above i.e. supply, installation and servicing especially the commercial EQUIPMENT in Hospitality industry.

We have secured our good name by executing some good valued orders acknowledging our interest/business in service contracts, in commercial/institutions kitchens, restaurants and coffee shops.

1.0 OUR MISSION

To strive to become a role model in the industry through provision of excellent customer oriented services.

1.1 OUR VISSION

- To establish strong mutual partnership with our business partners.
- To strive to highest ethical business practices, and governance standards.
- To enhance social responsibility.

1.2 OUR LONG TERM OBJECTIVES

- Competitively position ourselves in the market.
- Maximize return by operating economically, effectively and efficiently.
- Staff development.
- Embrace Corprate Social Responsibility.

1.3 OUR SHORT TERM OBJECTIVES

To develop strong professionalism with up to-date training; in order to achieve the highest industry standard.
